Addendum to the Two-Wheeler Loan Agreement – Appropriation Logic

Name of the Borrower AKASH DAWAR

Application ID ALA000002247949

Clause 17.4 (Page 8):

17.4 Without prejudice to any other term of this Agreement, the Parties expressly agree that any payment made by the Borrower to the Bank under this Agreement shall be appropriated by the Bank in the following order-

- a) costs, charges and expenses that the Bank may expend to service, enforce and maintain the security and therefore recover the Loan, interest and all sums due and payable by the Borrower to the Bank under this Agreement.
- b) interest on amounts in default and loss of profit on defaulted amounts;
- c) interest;
- d) principal amount of the Loan.

To be read as:

"Without prejudice to the loan agreement, any payment made by the Borrower to the Bank under the loan agreement shall be appropriated by the Bank in the following order:

- a. Principal amount of the loan
- b. Interest (incl. interest on overdue EMIs, if any)
- c. Penal charges
- d. Other Charges

The payment made by customer will be adjusted against the oldest unpaid overdue as per the above mentioned appropriation logic. Overdue includes unpaid Pre-EMI, Equated Monthly Instalment (EMI), Penal Charges, Other Charges incl. Cheque Bounce or Any Other Charges. The account is regularized once customer repays the overdue Equated Monthly Instalment (EMI) / PEMI, penal charges and other charges.

This means oldest overdue Pre-EMI / Equated Monthly Instalment (EMI) / Penal charge / Other charges would be settled first on receiving any payment from the customer. However, if all the charges are overdue since same date; above mentioned sequence will be followed for settlement of dues.

The above mentioned clause is also applicable for any payment received by the bank towards NPA loans."
